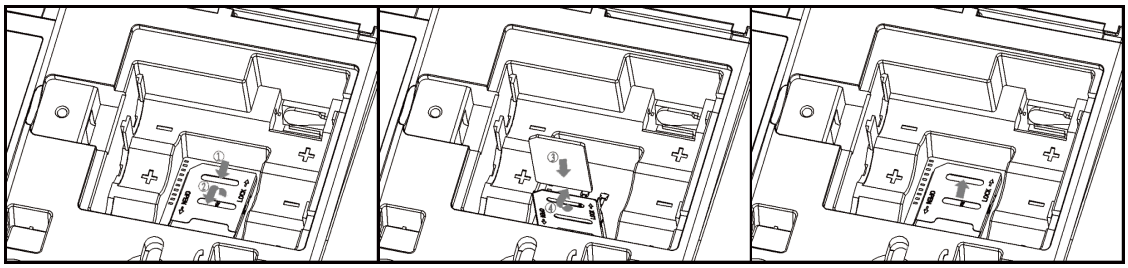
4. Using the menu

1. In standby mode, press Left soft key to display the main menu.
2. Press Up & Down key to move to the desired menu item.
3. Press Left soft key to enter the submenu.
4. Press Right soft key to return to the previous menu & press End key to back to idle screen.

5. Installation

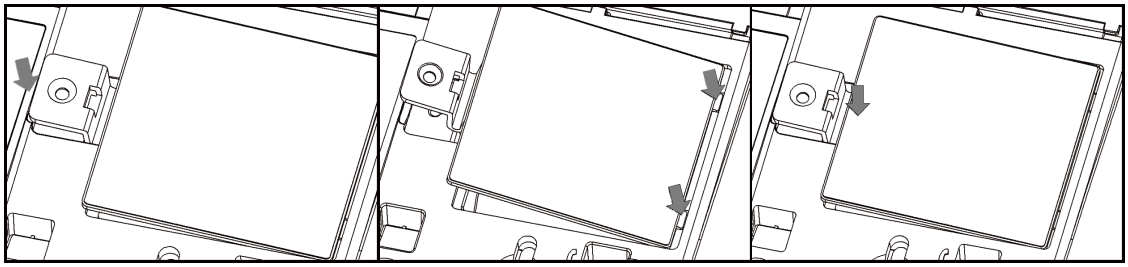
Install the RUIM card

Consult the service provider whether the RUIM card is needed. Power off the FWP and remove the power supply cable, and install the RUIM card as shown. Make sure that the golden contact on the RUIM card is facing downwards.



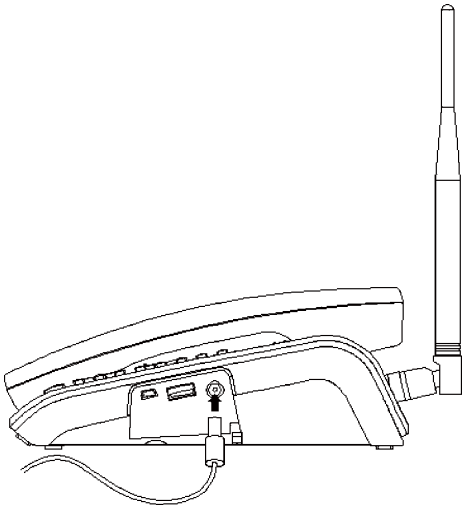
Installing the Battery

Power off the FWP and remove the power supply cable, and install the battery as shown. Make sure that the battery cord plug matches the battery jack.



Using the Power Adapter and Charging the Battery

1. Install the battery based on the battery installation steps.
2. Connect one end of the power adapter cable to the FWP and the other to the power socket.
3. The battery charging icon is displayed on the screen. The battery charging icon becomes static when the battery is fully charged.



Note:

Remove the battery if the FWP is left unused for a long period.

If the battery has not been used for a long time or the battery is exhausted, the screen of the FWP may not function when you charge the battery again. This is normal. After the battery is being charged for a while, you can power on the FWP for use.

6. Call

Making a call

The phone offers various ways to make a call:

1. Making a call in standby mode

1) Pick up the handset or press Loudspeaker key, then screen will display 'Please Dial…', enter the number you want to dial, wait for around 5 seconds, call will dial out automatically. Or press Call key to dial the number directly.

Note: In standby mode, if you enter the number before picking up the handset or pressing Loudspeaker key, then call will be defaulted to loudspeaker mode, and you can pick up the handset to transfer the voice to handset.

2. Making a call from phonebook

1) Pick up the handset or press Loudspeaker key, screen will display 'Please Dial…'
2) Press Left soft key & enter Phonebook—Contacts menu
3) Use the up & down key to scroll to the desired contact
4) Press the call key to dial the number

3. Redial last outgoing number

1) Pick up the handset or press Loudspeaker key, screen will display 'Please dial..'
2) Press Redial key, then the last outgoing number will be redialed.

4. Make a call from recent calls history

1) In standby mode, press Call key to enter recent calls history
2) Use up & down key to move to the desired item
3) Press Call key to dial the number directly or you can press left soft key to enter options, choose Call option, press Left soft key again to dial the number.

Disconnect a call

You can:

1. Press End key to disconnect the call

   or

2. Press Loudspeaker key or put back the handset to disconnect the call.

7. Phonebook

Add Contact

You can add new contact to phone or RUIM. When you select to add contact to RUIM, you can only enter the name & one number for the contact.

Contacts

Press left soft key to enter the contacts and view all the contacts saved in phone & RUIM.

Use Up & Down key to move to the desired contact, press Left soft key to have the following Options:

View: View the details of the contact.

Edit: Edit the contact.

Delete: Delete the contact from the phonebook.

Add Contact: Add a new contact.

Send message: Send SMS to the contact.

Add to Group: Assign the contact to a group.

Copy: Copy the contact from RUIM to Phone or vice versa.

You can also search the contact by inputting the desired name into searching line. Contacts are sorted in

letters.

Group

Use Up & down key to move to the desired group, press Left soft key to have the following options:
View: View the members of the group
Send message: send messages to group members
Group ringtone: Set special ring to the group

There are total 10 groups available, and you can rename the groups except All & None.

Speed Dial

Use the 6 keys on the side of your FWP to assign the speed dial numbers (1 to 6 items).
For speed dial number 1 to 6, you can:

1. Press the side key to directly edit the speed dial number.
2. Or choose Search option to choose the number from Contacts list.

In standby mode, press the Speed dial keys to dial the corresponding speed dial number.

Manage

In the standby screen, press <Left Soft Key> to access the **Main menu > Phonebook > Manage:**

2) Disable: Disable the voice memo function.

12. Care & Maintenance

If your FWP has abnormal condition, please check the following table. If the problem still remains, please ask service center for help.

Common problems	Check item
Cannot charge	Please check if the charger is properly connected to the phone
Cannot power on	Please check if the battery level is too low; Please check if the battery is properly installed; Please hold the Power key for enough time.
RUIM cannot be detected	Please check if the R-UIM card is properly installed; Please check if your R-UIM card is valid.
The FWP displays “Input PIN Code”	Please contact the service provider to get the PIN/PUK code and use it to unlock.
Unable to make call	Please check if the phone number is valid. Please check if you are in service area.
Bad talk quality	Please check if the phone signal is strong enough; If you are staying in office or home, please move the phone or move near the window.
The contact cannot get your voice	Please check if your mic has being blocked
Receiver sound is too low	Please check if your receiver volume has been adjusted to the minimum.
The Phone has a weak receive signal or frequently drop during the call	Please check if the phone has a strong signal. If no signal, please use it in a strong signal place.
The screen display the information such as “No Service” or: Searching…”	Please check if you are in a weak signal area (in the channel or surrounded by buildings), change the area and retry. Please check if you can try to get the services without the service provider permission. If needing the service, please contact the service provider for more information.

13. Safety Information

- Never use an unapproved battery since this could damage the phone and/or battery and could cause the battery to explode.
- Never place your phone in a microwave oven as it will cause the battery to explode.
- Do not dispose of your battery by fire or with hazardous or flammable materials.
- Do not use the phone in areas where its use is prohibited. (For example: aircraft, gasoline stations, hospital)
- Do not expose the battery charger or adapter to direct sunlight or use it in places with high humidity, such as bathroom.
- Do not use harsh chemicals (such as alcohol, benzene, thinners, etc.) or detergents to clean your phone.
- Do not drop, strike, or shake your phone severely. It may harm the internal circuit boards of the phone.
- Do not use your phone in high explosive areas as the phone may generate sparks.
- Do not damage the power cord by bending, twisting, pulling, or heating. Do not use the plug if it is loose as it may cause a fire or electric shock.
- Do not handle the phone with wet hands while charging. It may cause an electric shock or seriously damage your phone.

- Do not disassemble the phone.
- Do not make or answer calls while charging as it may short-circuit the phone and/or cause electric shock or fire.
- Store the battery out of reach of children.
- Be careful that children do not swallow any parts. This could cause asphyxiation or suffocation resulting in serious injury or death.
- Unplug the charger during lightning storms to avoid electric shock or fire.
- Only use the batteries and chargers provided by Olive. The warranty will not be applied to products provided by other suppliers.
- Only authorized personnel should service the phone & its accessories. Faulty installation or service may result in accidents and consequently invalidate the warranty.
- You can call emergency calls even when your phone is out of service or no RUIM inserted. While it may not work in all locations, and sometimes an emergency call cannot be placed due to network, environmental or interference issues. (Network dependent)

LIMITED WARRANTY CERTIFICATE

Thank you for choosing
OLIVE FWP

We strongly recommend you to:

- Read the guidelines in the manual for safe and efficient use.
- Keep your original purchase receipt for claiming warranty repairs.

The limited warranty is in addition to, and does not affect your legal (statutory) rights under your applicable national laws relating to the sale of consumer product. Olive provides this Limited Warranty to the person who has purchased the Olive Product.

Olive warrants to you that during the warranty period Olive or a Olive authorized service company will in a commercially reasonable time remedy defects in materials, design and workmanship free of charge by repairing the product. The limited warranty is only valid and enforceable in the country where you have purchased the product, provided that it is intended for sale in that country.

IMEI/ESN/MEID No.: _____ Date of Purchase _____
Model No._____ Color_____

Dealer Stamp

WARRANTY PERIOD

The warranty period starts at the time of the product's original purchase by the first end user. The product may consist of several different parts and the different parts may be covered by a different warranty period.

The different warranty periods are:

- 12 months from Date of Purchase for the mobile device only, not for accessories or media.
- 6 months from Date of Purchase for the following consumable parts and accessories: Battery, Charger, Headset and Cables.
- Ninety (90) days for the media (if any) on which any software is provided e.g. CDROM, Memory Card.

As far as your national laws permit the Warranty Period will not be extended or renewed or otherwise affected due to subsequent resell, repair or replacement of the product. Repaired part(s) will be warranted for the remainder of the original Warranty Period.

AVAILING WARRANTY SERVICE

If you wish to make a claim under the limited warranty, you may approach an Olive Authorized Service Centre, a list of which can be found as a part of this package. You must return your product or the affected part (if it is not the entire product) to an Olive Authorized Service Centre before the expiry of a warranty period.

When making a Limited Warranty claim you have to present:

- The product (or the affected part thereto)
- The original proof of purchase, which indicates the date and place of purchase and IMEI/ESN/MEID or other product serial number.
- Repair of this product will be carried out on a carry-in basis to the authorized Service Centre.
- This Limited Warranty extends only to the original first end user of the product and is not assignable or transferable to any subsequent purchase/end-user.
- It is the responsibility of the purchaser to contact the nearest authorized service center and bring the unit to the authorized service center at purchaser's cost and risk.

THINGS WHICH ARE NOT COVERED

- The Limited Warranty does not cover user manual or any third party software, settings, contents, data or links whether included/downloaded in the product, whether included during installment, assembly, shipping or at any other time in the delivery chain or otherwise and in any way acquired by you. To the extent permitted by applicable law(s) Olive does not warrant that any Olive software will meet your requirements, will work in combination with any hardware or software applications provided by the third party, that the operation of the software will be uninterrupted or error free or that any defects in the software are correctible or will be corrected.
- The Limited Warranty does not cover a normal wear and tear (including, without limitation, wear and tear of camera lenses, batteries, displays, covers or keypad), transport costs, defects caused by rough handling or damage caused by misuse of the product including use that is contrary to the instructions provided by Olive (e.g. as set

out in the product's user guide) and/or Other acts beyond the reasonable control of Olive.

- The limited warranty does not cover defects caused by viruses from your or from a third party's unauthorized access to services, other accounts, computer systems or networks. The unauthorized access can take place through hacking, password-mining or through a variety of other means.
- The limited warranty does not cover defect caused by the fact that the battery has been short-circuited or by the fact that the seals of battery enclosure or the cell are broken or show evidence of tampering or the battery has been used in equipment other than those for which it has been specified.
- The Limited Warranty does not apply if the product has been opened, modified or repaired by anyone other than an authorized service station.
- The Limited Warranty does not apply if the product has been exposed to moisture, to dampness or to extreme thermal or to rapid changes in such conditions, to corrosion, to oxidation, to spillage of food or liquid or to influence from chemical products.
- The Limited Warranty does not apply if product is used with non-genuine accessories.
- The limited warranty does not apply if original number is removed, obliterated, or altered from the product.
- The limited warranty does not apply for defects due to causes beyond control like lightening, abnormal voltage, acts of GOD or defects caused by household pets, rats, cockroaches or any other animals or insects.

OTHER IMPORTANT NOTICES

The company's obligation under this warranty shall be limited to repair or providing replacement of part/s only. The maximum claim/s if entertained by the company will be subject to the maximum retail price of the product purchased or the purchase price, whichever is lower.

A third party, independent operator provides the SIM/RUIM Card and cellular and/or other network or system on which the product operates. Therefore, Olive will not accept responsibility under this warranty for the operations, availability, coverage, services or range of the cellular or other network or systems. Before the product can be repaired or replaced, the operator may need to unlock any SIM/RUIM-lock or other lock that may have been added to lock the product to a specific network or operator. Accordingly, Olive does not accept responsibility for any delays or warranty repairs or for the inability of Olive to complete warranty repairs that are caused by the operators delay or failure to unlock any SIM/RUIM-lock or any other lock.

Olive does not accept any responsibility for any delays in warranty repairs or for the inability of Olive to complete warranty repairs that are caused by the operator's delay.

Please remember to make back-up copies or keep written records of all important content and data stored in your product, because content and data may be lost during repair or replacement of the product.

If the returned product is found not to be covered by the terms and conditions of the Limited Warranty, Olive and its authorized service companies reserve the right to charge a handling fee. When repairing or replacing the product, Olive may use products or parts that are new, equivalent to new or re-conditioned. All parts of the product or other equipment that Olive has replaced shall become the property of Olive.

Your product may contain country specific elements including software, if the product has been re-exported from its original destination country to another country, the product may contain country specific elements that are not considered to be a defect under this limited warranty.

Olive in manner consistent with the provisions of the following section entitled “Limitation of Olive's Liability”, to the extent permitted by applicable law(s), shall not under any circumstances be liable, either expressly or impliedly, for any damages or losses of any kind whatsoever resulting from loss of, damage to, or corruption of, content or data during repair, or replacement of the Product.

The Delhi/New Delhi courts shall have the jurisdiction to try any dispute and/or suits related to and arising out of the manufacturer’s limited warranty.

LIMITATIONS OF OLIVE’S LIABILITY

This Limited warranty is your sole and exclusive remedy against Olive and Olive's sole and exclusive liability in respect of defects in your product. However, this limited warranty shall neither exclude nor limit:

- Any of your legal (statutory) rights under the applicable national laws or
- Any of your rights against the seller of the product.

This limited warranty replaces all other Olive warranties and liabilities whether oral, written, non-mandatory, statutory, contractual, in tort or otherwise, including, without limitation and were permitted by applicable law, any implied conditions, warranties or other terms as to satisfactory quality or fitness for purpose. To the extent permitted by applicable law(s) Olive does not assume any liability for loss of damage to or corruption of data, for any loss of profit, loss of use of products or functionality, loss of business loss of contract, loss of revenues or loss of anticipated savings, increased cost or expenses or for any indirect loss or damage or consequential loss or special loss or damage. To the extent permitted by applicable law, Olive’s liability shall be limited to the purchase value of the product.

STATUTORY OBLIGATIONS

This limited warranty must be read subject to any statutory provisions that imply warranties or conditions into this limited warranty that cannot be excluded, restricted or modified or cannot be excluded, restricted or modified except to a limited extent. If such statutory provisions apply to the extent to which Olive is able to do so, its liability under those provisions will be limited, at its option to, in the case of goods: the replacement of the goods or the supply of equivalent goods, the repair of the goods, the payment of the cost of replacing the goods or of acquiring equivalent goods, or the payment of the cost of having the goods repaired; and in the case of services: the supplying of the services again or the payment of the cost of having the services supplied again.

NOTE

Your Product is a sophisticated electronic device. Olive strongly encourages you to familiarize yourself with the user guide and instructions provided with and for the product. Please also note that the Product might contain high precision displays, camera lenses and other such parts, which could be scratched or damaged if not handled carefully.

All warranty information, product features & specifications are subject to change without notice.
